Trivia Challenge 2012

YEARS 4, 5, 6 and 7

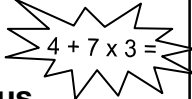

CROSS-CURRICULAR general knowledge classroom quiz
INTERACTIVE STATE FINAL to select State champion teams
FREE comprehensive resource kit on epilepsy
TROPHIES and medallions for winners
ALL quiz materials supplied (including question sheets)
CERTIFICATES for all schools and student participants - and great fundraising incentives

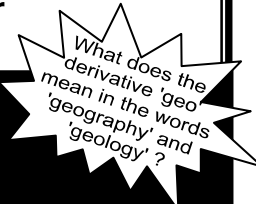

Wonderful team building classroom activity!

Teachers, this is a fantastic opportunity to experience an easily implemented activity and witness improvement in children's confidence, social interaction, general knowledge and enthusiasm for the curriculum. Schools and students have the opportunity to win great prizes fundraising for Epilepsy Queensland, and at the same time increase community awareness and understanding of epilepsy – the world's most common serious brain disorder – which affects approximately 90,000 Queenslanders. Quiz period is July/August with the State Finals in October 2012.

Trivia Challenge is a **CROSS-CURRICULAR** school quiz which is designed to extend general knowledge, raise much needed funds and increase students' awareness, understanding and knowledge of epilepsy.
